HOMEBOUND DELIVERY POLICY

The Homebound Delivery Program is a service to provide library materials to residents of Wood-Ridge who are unable to come to the library due to temporary or permanent disability. Staff will visit homebound residents to deliver, pick up, and return library materials.

It is the hope of the staff of the Wood-Ridge Memorial Library that all residents will be able to remain active library users even when no longer able to come to the Library in person.

For more information, contact the Library Director at (201) 438-2455.
